Description

Antique silver pocket watch chain & fob, 1912. The chain measures 33cm long including the T-bar and the clasp. The components all carry the same hallmarks for 1911 together with the maker's mark JR. Each of the links has the silver lion mark. The chain comes with a silver fob which is hallmarked for Birmingham 1912 with a maker's mark for Constantine & Floyd, a Birmingham silversmith. The shield to the centre of the fob has a pale rose gold wash. It is very possible that the chain and fob started life together. Total weight 60g. The chain came to us in a vintage box so we will include it in the sale.
