Description

A quality Edwardian period solid oak Grandmother clock with 8 day Westminster chiming movement c.1910. The small proportioned slim solid oak case with decorative geometric moulding to the door and base, the hood with moulded arched cornice to the top and barley twist columns either side of the glazed door. Moulded plinth to the base with bun feet below. Brass and silvered arched dial with Roman numerals and original blued steel hands to the 8 day three train movement. Strikes on the quarters and the hour Westminster chimes. Fully overhauled and working. Presented in superb condition with a rich patina, the dial fully polished and re-silvered. A video of the clock striking is available at <https://youtube.com/shorts/3pVyApuLWFY> Measures 65.5" high x 14" maximum width x 9" maximum depth x 9" wide at the trunk.
