Description

A stunning and very unusual vintage Art Deco period chest of drawers in walnut. This was made in England, it dates from the 1920-30's. This is of great quality and has a stylish design. The main carcass overhangs the plinth base, and has lovely curved brass fixtures that run down the side of the chest and attach to the base. This has high quality patinated brass handles, with a beautiful overall colour tone and fantastic grain patterns. We have recently had this stripped and re-polished to a very high standard, the condition is excellent for its age. Width – 30 inches , 76 cm Depth – 19 inches , 49 cm Height – 44 inches , 110 cm
