Condition: Please see the pictures for details of the items condition. - This table is in a good original condition, commensurate with its age, and is structurally sound and sturdy. Good colour, patina, and polish. Some marks and blemishes. Top and base appear to be original. One foot has been replaced. The stretchers to the underside of the top appear to be later additions, simply to support the table as it has aged. A little historic extinct worm holes to the feet, though do not affect sturdiness of the table in any way. Very well presented, and very serviceable and ready for use. - As with all vintage & antique furniture there will be signs of use, marks, wear & tear, etc.
