

SA997358

Gents Longines Asymmetrical wrist watch, 1959

Price

Sold**Item Reference: SA997358****Date of manufacture: 1950**

Description

Gents Longines Asymmetrical wrist watch, 1959. The watch has an in-house 17 jewel Longines 23Z hand-winding movement which is working nicely. The movement is fully signed and it has the serial number 11,007,988 which dates it back to 1959. The watch measures 32mm diameter excluding the original winding crown and lugs. The case is 10kt gold filled. There is general light surface marking, not too serious at all. The inside of the case back is signed Longines Wittnauer. The lens is in good condition. The signed dial is in its original finish with original hands, a subsidiary seconds dial and the applied wings logo. If viewed through a magnifying loupe, there is some marking around the perimeter of the dial. The watch has its original Longines Wittnauer leather strap. The watch comes in a new presentation box.
