Description

A lovely example of an antique solid sterling silver box standing on four feet. It has a hinged lid with a gilt interior and velvet lined insert. The top is nicely decorated with engraved Fleur de Lys and central cartouche with initials that look like "MH". It is clearly hallmarked for Birmingham, 1909 and the maker Synyer & Beddoes. It is in good condition for its age and displays well. It has picked up some small knocks and minor surface marks and there are a couple of small dents here and there (See photos) but no major damages and it displays well. It has been gently cleaned and polished and is ready for use. The best description comes from the photographs so please look at them all carefully and if you have any questions just ask.
