Description

This is a 3' tall and heavy antique fire back. An English, cast iron fireplace reflector with Carolean taste, dating to the late Victorian period, circa 1900. Imposing and substantial fire back with 17th century revival taste. Displays a desirable aged patina and in good order throughout. The heavy cast iron presents consistent graphite tones. Suitable for the grander hearth with a weight of approximately 95kg (210 lb). Tall surmount hosts scrolled vine forms and shell motif. Decorated in relief with a mounted rider, in the manner of Lord Fairfax (1612-1671). Instrumental in the restoration of the monarchy, Fairfax was a popular revival theme. Further decorated with vines and pillars, the central scene accentuated with beading. This is a fascinating antique fire back, with 17th century revival taste of the Carolean/Restoration period. Classically decorative and suited for the larger fireplace. Delivered polished and ready to display. Dimensions: Max Width: 77.5cm (30.5") Max Depth: 3cm (1.25") Max Height: 102.5cm (40.25").
