Description

A good quality sterling Silver photo frame. The frame is decorated with typical Art Nouveau style leaves and flowers. The rear of the frame is covered with blue velvet and it has an easel back for standing the frame up. The inside board is covered in a blue silk. It is hallmarked for Birmingham 1903 and the maker S Blanckensee & Son Ltd. Approximate Measurements : Frame Width : 5 1/2" (14cm) Frame Height : 7 1/2" (19cm) It is in good condition for its age and displays beautifully. There are some signs of age and use, some light surface marks and some small dinks but nothing too detrimental given its age. There is some minor wear to the silk lining and velvet back and the ribbon holding the easel arm has been replaced at some point but it is strong and sturdy. The silver has been gently cleaned and polished and the frame is ready for use. The best description comes from the photographs so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £6 Rest of the world £25
