Description

A lovely pine pot cupboard dating from the early 20th Century. It has a single panelled door with brass handle and it opens to a shelved interior. It stands on a simple plinth base and has a small raised gallery around the top edge. Great for a bathroom or bedside. It is in good condition and the pine has a nice warm colour. It has been cleaned and has a smooth waxed finish, retaining its lovely aged patina. The interior is generally clean and tidy. There are some signs of age and use, some marks here and there and some old repairs but nothing detrimental. It displays very nicely and is ready for use. The best description comes from the photographs so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
