Description

A gorgeous antique Victorian chest of drawers of small proportions in mahogany. This was made in England, it dates from around the 1860-1880 period. It is of superb quality and is a very useful, low size. There are four generous and deep drawers with beautifully turned mahogany handles. The drawers have lovely brass escutcheons and all run smoothly, this sits on a plinth base and has a solid mahogany top. We have had this recently re-polished, the condition is excellent for its age. There are just some small old marks and bumps remaining beneath the polish here and there. Width – 32 inches , 81 cm Depth – 19 inches , 49 cm Height – 33 inches , 84 cm
