Description

A fine quality oak roll top desk by Maples of London and Paris. As with most quality desks all the panels are fielded (bevelled) and the interior is a mass of drawers and compartments. All the finish has been rejuvenated and the writing surface has a new tooled leather. When closed the side drawers lock automatically and the central drawer has it's own working lock and key. Importantly the tambour has been totally re-backed and is now set of the next 100 years (this is not a simple or cheap job) and we would recommend anyone buying a roll top desk to check the tambour for splits in the backing. A great desk ready to use and enjoy. Splits into three main pieces for transportation. Kneehole Height - 62cm = 24 1/2 inches Width 63cm = 24 3/4 inches Worktop Height - 77cm = 30 1/4 inches
