Description

An absolutely stunning original Art Deco period free standing cheval mirror in birds eye maple. This was made in continental Europe, most likely Sweden. It was retailed in Harvey Nichols and has the original label, this dates from the 1920-30's. The quality is outstanding, this is probably the finest example we have ever come across. The mirror stands on a plinth base which is finished on all sides, the back of the mirror is also beautifully finished in birds eye maple. The mirror can even swivel on the base to adjust the angle from side to side. We have had this stripped and re-polished to a very high standard, the condition is superb throughout. We also have the matching pair of bedside cabinets, pair of lamps and single occasional cabinet that came with this, seen listed under our other items for sale. Width – 94 cm , 37 inches Depth – 43 cm , 17 inches Height – 180 cm , 71 inches
