## Description

This is a fine example of an Edwardian solid sterling silver pin cushion, this one fashioned as a pheasant. It is clearly hallmarked for Birmingham 1906 with the maker's mark of WJ Wyatt & Co. The pheasant stands upon a naturalistic base and is in perfect condition except for (possibly) a small area of missing silver on the tip of the rear claw. The cushion looks to be the original - it is faded and loose. Dimensions: Height: 6cm Width: 2cm Length: 9.5cm Complimentary gift wrapping is available on request. Post and packaging are free within the UK. Overseas buyers please e-mail for postage costs and please note: Import duties, taxes, and charges are not included in the item price or shipping cost. These charges are the buyer's responsibility. Please check with your country's customs office to determine what these additional costs will be prior to buying.
