Description

A good brass piece which we think is probably a wine cooler but would make a good jardiniere or table centre piece. It is an oval shape of half gadrooned form with a tin liner that we have tested as water tight. It stands on four paw feet. It has dents all round the gadrooning from much ware but nevertheless, a charming piece. We could deliver free of charge in UK mainland and can calculate the cost for international delivery. Payment by bank transfer, PayPal or card via telephone .
