Description

Circa 1900. An exhibition quality walnut kidney shaped leather topped writing table, probably by 'Morison and Co of Edinburgh', original tan leather which is tooled and gilded, with the small half round low gallery which continues round the top and just stops at the front, there is one narrow shaped drawer with elegant escutcheon and to each side a pair of curved fronted drawers with cast brass handles in the form of a wreath, polished on all sides making the desk free standing, resting on four elegant cabriole legs with foliate carving in the quarter blocks and on the facing the legs finishing on 4 cast-brass sabots in the form of animal feet.
