Description

This magnificent 19th-century solid Walnut chest of drawers is a testament of the craftsmanship of the period. The chest of drawers features superstructure with rectangular well figured walnut top, with two short and three long drawers with lined decoration to the drawers fronts, brass handles and all on plinth base. Structurally sound, and there is no any evidence of any woodworm. The rich walnut finish of this piece brings out the natural beauty of the wood and adds a touch of warmth and elegance to any room.
