Description

A superb solid sterling silver combination letter opener and ruler. It is hallmarked STERLING most likely American, I would date to c1920. It has been superb made and the terminal has been engraved with the initials ND. It is in superb condition being free from dings splits distortions and repairs. It measures approx. 7.5 inches (18.8cm) long by 0.75 inches (2cm) wide and weighs 46 grams. A very well designed piece.

Internal Ref: 30504
