Description

A beautiful good sized Norwegian solid silver dish or bowl. It is hallmarked with the 830 standard mark along with the makers mark being that of Brodrene Lohne. I would date it to c1920-1940. It has been beautifully made being in the form of a Viking boat on Celtic supports. It is in superb condition being free from dings splits and repairs. It measures approx. 6 inches (16cm) long by 3.5 inches (8.6cm) tall by 1.75 inches (4cm) wide and weighs 84 grams. A beautifully made rare example.
