Description

An unusual upright or wall hanging stand made for storage, display, and organization of rifles, shotguns and more. While it would be ideal for a hunting lodge it can also be used to display a collection of walking sticks or as a decorative freestanding rack/shelves unit, having also two small drawers at the bottom. For this purpose we have added small bun feet to it (that can be unscrewed), just to raise it a little from the floor. In very good condition for the age and use. Dimensions: 55.5 cm W x 24 cm D x 140 cm h
